813 626 1181

Announcement October 18, 2022

TradeMark Nitrogen Corp starting in the fourth quarter will be offering calcium nitrite solution (30%). Product will be available in both bulk and IBC's.

$\text{Ca}(\text{NO}_2)_2$ is widely used as a corrosion inhibitor. It helps protect the metal surface against chlorides attack and improves the overall life of the concrete. $\text{Ca}(\text{NO}_2)_2$ does not change the mechanical properties of the concrete.
