Rev: 09-26

Warning

**Causes skin irritation. Causes eye irritation.
May cause damage to organs (blood).
Harmful to aquatic life.**

See Safety Data Sheet (SDS) for additional safety and handling information.

PRECAUTIONARY STATEMENT

Do not breathe mist or vapor. Wash thoroughly after handling. Use only outdoors or in well-ventilated area. When handling product; wear protective gloves, protective eyewear, protective clothing and face protection. Avoid contact with eyes, skin and clothing.

HAZARDS

If Inhaled: Remove person to fresh air and keep comfortable for breathing. Provide artificial respiration if necessary. Seek medical attention if necessary.

If Skin Contact: Take off all contaminated clothing. Rinse skin with soap and water for at least 15 minutes.

If in Eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing for at least 15 minutes. Seek medical attention if irritation persists.

If Swallowed: Do **NOT** induce vomiting. Drink large amounts of water. Never give anything by mouth to an unconscious person. Seek medical attention.

Acute Health Hazards: High levels of nitrates may reduce the blood's ability to transport oxygen causing headache, fatigue, dizziness and blue lips and skin (methemoglobinemia).

Chronic Health Hazards: Methemoglobinemia is the primary health effect, but possible excessive action of the kidneys and perhaps bowels can occur.

Warranty:

Seller warrants that the product conforms to its chemical composition and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied, extends to the use of this product contrary to label conditions, or under conditions not reasonably foreseeable to the seller; and buyer assumes the risk of any such use.
